# 'Legalise undocumented migrants, not just give them Covid-19 vaccine'

Published 18 Feb 2021, 9:09 am

The plan to administer the Covid-19 vaccine on undocumented migrants should also come with an initiative to legalise them, Tanah Rata assemblyperson Chiong Yoke Kong (*above, holding microphone*) said.

He made the call after Science, Technology and Innovation Khairy Jamaluddin gave his assurance that the government, in order to achieve herd immunity, would not arrest undocumented migrants who come forward for the vaccination.
