# Possible to hold GE in September after 50 pct population vaccinated - KJ

Published 24 Feb 2021, 8:38 pm • Modified 7:37 am

Coordinating Minister for the National Covid-19 Immunisation Programme Khairy Jamaluddin suggested that it might be possible for a general election to be held once half of the population has been inoculated.

In an interview with Channel News Asia (CNA) ahead of today's National Covid-19 Immunisation Programme roll-out, the minister said this could be as early as September...
