Covid-19 vaccination registration for dependents via MySejahtera in March

Bernama

Published 24 Feb 2021, 9:37 pm

Covid-19 vaccination registration for dependents through MySejahtera application will be introduced in mid-March, said Coordinating Minister for the National Covid-19 Immunisation Programme, Khairy Jamaluddin.

"The facility will enable children to register their parents who do not have MySejahtera," said Khairy (above), who is also Science, Technology and Innovation minister, in a press conference at the Putrajaya Health Office, Precinct 11, Putrajaya, today...
