Covid-19 immunisation programme may be completed by year-end - KJ

Bernama

Published 24 Feb 2021, 6:26 am • Modified 6:26 am

The National Covid-19 Immunisation Programme is expected to be completed before the end of this year, ahead of its projected completion date in February next year.

The programme's coordinating minister, Khairy Jamaluddin, said the confidence was based on the level of efficiency and professionalism of the Health Ministry (MOH) and if the vaccines arrive on schedule...
