"This is due to the good planning and high vaccination rate as the Indera Mulia Stadium here, is the largest PPV in Perak, with 12 vaccination rooms," he said.

He added that Kinta is the highest district to be vaccinated throughout the country. This is an excellent achievement. That's why I came here...I want to learn from here," he said.

As of yesterday, Khairy said that a total of 4,482 people had been vaccinated in the Kinta District PPV alone.

"What is interesting is the vaccination rate. It started with only 180 daily and today it can reach 1,440 from this PPV only."
