## It's 'an quan', KJ declares after taking Sinovac vaccine

Published 18 Mar 2021, 3:34 pm • Modified 18 Mar 2021, 5:03 pm

Science, Technology and Innovation Minister Khairy Jamaluddin today followed through with his promise to take the next Covid-19 vaccine to be approved after the more established Pfizer-BioNTech one, which is the US-German initiative.

That vaccine happens to be China's Sinovac. After receiving his first shot at Rembau Hospital today, Khairy released a video of himself speaking in Mandarin...
