## No need to resubmit Covid-19 vaccine registration - KJ

mk

Published 3 Mar 2021, 11:37 pm • Modified 12:20 am

There is no need for those who have already registered for Covid-19 vaccination via the MySejahtera app to resubmit their application, said the National Immunisation Programme Coordinating Minister Khairy Jamaluddin.

He said this after several posts went viral on social media platforms urging people to do so, in order to prompt a confirmation screen to appear on the
