The coordinator of the **National COVID-19 Immunisation Programme** (PICK), Minister Khairy Jamaluddin announced that the next registration session for AstraZeneca (AZ) vaccine will take place this coming Sunday, 23 May. The registration opening is following the original session that [took place earlier this month which involved 268,000 doses for Selangor and Kuala Lumpur](https://www.lowyat.net/2021/23886/astrazeneca-vaccine-malaysia-registration-rollout/) (https://www.lowyat.net/2021/23886/astrazeneca-vaccine-malaysia-registration-rollout/).

While the vaccine coverage under the upcoming registration session will be expanded to more areas, it will not cover the whole country just yet as some might be hoping for. Instead, the 23 May session will only involve Penang, Johor, and Sarawak in addition to Klang Valley itself due to the high number of daily cases within these regions.

(<https://www.lowyat.net/wp-content/uploads/2021/05/astrazeneca-covid-vaccine-stock-who.jpg>)

Furthermore, the registration session will only be opened to senior citizens aged 60 years and above. Those who are under the age of 60 will have to wait until 26 May to see if there are any leftovers and only then, will they be allowed to register.

The majority of the new AZ vaccine batch will be reserved for those who registered via [the official website of The Special Committee for COVID-19 Vaccine Supply \(JKJAV\)](https://www.vaksinovid.gov.my/). The authorities will also allocate some of them to the District Health Offices (PKD) in order for them to administer the vaccine via on-ground outreach programs in selected areas.

Khairy Jamaluddin

@Khairykj · May 17, 2021

The next AstraZeneca opt in will open on 23 May and will only be available to above 60s in Selangor, KL, Penang, Sarawak & Johor where cases are highest. Bookings via website & community clinic outreach. AZ will also be sent to elderly care homes.

Khairy Jamaluddin

@Khairykj

However, those on the present round 1 waitlist will get appointments.

Minister Khairy has also said that some of the vaccines will also be delivered to elderly care homes. Aside from senior citizens, another group of people that will be given priority access to the upcoming batch of AZ vaccine are individuals that are still on the Waiting List from the 2 May registration session.

From what we understand, Minister Khairy's remarks during today's briefing and subsequent tweet, the appointments for these individuals will be provided to them [through the existing method](https://www.lowyat.net/2021/239508/astrazeneca-vaccine-waiting-list/).

With that, make sure to note down the specific dates we mentioned above if you are planning to register yourself or your loved ones for the AZ vaccine. Not to forget, do get ready to face all sort of possibilities during the registration session [including technical difficulties](https://www.lowyat.net/2021/238915/astrazeneca-registration-unpleasant-experience/).
