## Only Pfizer's Covid-19 vaccine suitable for pregnant and nursing mothers - KJ

**Hariz Mohd**

Published 17 May 2021, 3:05 pm • Modified 17 May 2021, 5:06 pm

**COVID-19** | Only the Pfizer-BioNTech vaccine is advisable for inoculation of pregnant and nursing mothers against Covid-19, according to Science, Technology and Innovation Minister Khairy Jamaluddin.

Speaking to reporters today, the minister in charge of the National Covid-19 Immunisation Programme (Pick) said this is based on recommendations made by...
