Published 5 May 2021, 5:49 pm

The reason why those who have registered for the AstraZeneca vaccine did not receive notice of appointments is that their identity card did not match the one registered via the MySejahtera application.

National Covid-19 Immunisation Programme Coordinating Minister Khairy Jamaluddin said the Science, Technology and Innovation Ministry (Mosti) would discuss the matter with the Covid-19 Immunisation Task Force (CITF) to resolve the issue...
