## Small number of serious AEFI cases reported so far - Adham

**Geraldine Tong**

Published 14 Jun 2021, 2:54 pm • Modified 14 Jun 2021, 5:56 pm

Health Minister Dr Adham Baba said the National Pharmaceutical Regulatory Agency (NPRA) has so far received 2.4 reports of AEFI (adverse events following immunisation) cases for every 1,000 Covid-19 vaccine doses administered.

Of these reports, only 0.09 out of every 1,000 doses administered were classified as serious AEFI cases requiring further treatment or hospitalisation, he added...
