KUALA LUMPUR: Malaysia is set to receive another 1,333,800 doses of the Pfizer-BioNTech Covid-19 vaccine.

Covid-19 National Immunisation Programme (NIP) coordinating minister Khairy Jamaluddin said the doses will be distributed starting this week until early next month.

"A total 444,600 doses will be distributed between June 16 to 18, followed by another 444,600 from June 23 to June 25, and 444,600 from June 30 to July 2," said Khairy at a joint press conference with Health Minister Datuk Seri Dr Adham Baba here today.

Meanwhile, on the vaccine distribution, Khairy said a total 5,955,092 doses were distributed nationwide.
