process and management is also given to volunteers serving persons with disabilities (PwD), Prime Minister Tan Sri Muhyiddin Yassin said.

He said the OKU Sentral drive-through vaccination centre here, for example, currently has approximately 100 volunteers helping to manage and ensure smooth running of the Covid-19 vaccination process involving the PwD.

“The daily allowance increase from RM50 to RM100 is also given to these volunteers who numbered about 100 now and counting,” he told a press conference after visiting the OKU Sentral drive-through PPV at Menara Sime Darby Plantation here today.

Also present was OKU Sentral president Senator Datuk Ras Adiba Radzi.

At a press conference in Tangkak, Johor, on June 22, the Prime Minister announced that the daily allowance for healthcare volunteers involved in the Covid-19 vaccination process and management has been increased to RM100 from RM50, in appreciation of their contributions.

At the same time, the Prime Minister repeated his statement that the issue of vaccine supply delivery was not only faced by Malaysia but also other countries due to monopoly by developed nations.

“Even though we have signed (the contracts) for the number of vaccines needed, but only half of it has arrived, and until today, not even 10 percent of Malaysian population were fully vaccinated.

“We have the capacity but we don’t have enough vaccine. That is why I have ordered Health Minister Datuk Seri Dr Adham Baba and Science, Technology and Innovation Khairy Jamaluddin to negotiate with all suppliers,” he said.

Muhyiddin said the government will continue negotiating the matter to ensure that all vaccines secured will be received to achieve herd immunity by end of this year. — *Bernama*
