KJ: We supplied Covid-19 vaccines based on data from S'gor MB meeting

Published 28 Jun 2021, 12:25 pm • Modified 28 Jun 2021, 6:53 pm

Science, Technology and Innovation Minister Khairy Jamaluddin said the amount of Covid-19 vaccines supplied to Selangor was based on data provided during a meeting with Menteri Besar Amirudin Shari.

In that meeting, Khairy said the Selangor government informed it could only administer 40,000 shots a day for June.

As such, Khairy said he was unsure why Selangor exco member in charge of health Siti Mariah Mahmud was accusing the Covid-19 Immunisation
