S'gor only received 615k Covid-19 vaccine doses, not 2.9m - exco

Published 3 Jun 2021, 6:56 pm • Modified 3 Jun 2021, 7:19 pm

The Selangor Health Department only received over 615,000 doses of the Covid-19 vaccine as of June 1, not 2.9 million, said state health exco Dr Siti Mariah Mahmud.

She was responding to [a report](#) on May 30 data from the Science, Technology and Innovation Ministry (Mosti) which appeared to indicate that over two million doses of Covid-19 vaccines have not been used in Selangor.
