# Selangor disputes Mosti's vaccine dose data

Published 3 Jun 2021, 2:46 pm • Modified 3 Jun 2021, 4:48 pm

The Selangor government has disputed data on vaccine doses provided by the Science, Technology and Innovation Ministry (Mosti), which indicated that over two million doses have yet to be used in the state.

According to data provided by Mosti to the media, 2.9 million doses of the Covid-19 vaccine had been delivered to Selangor as of May 30.

However, as of May 30, only 398,029 doses of the vaccine had been...
