# 'Be truthful or your nose will get longer' - Siti Mariah tells Khairy in salvo over vaccine supply

Published 27 Jun 2021, 9:14 am • Modified 27 Jun 2021, 11:12 am

Selangor health executive councillor Siti Mariah Mahmud has hit out at minister in charge of the National Covid-19 Immunisation Programme (NIP) Khairy Jamaluddin, who claimed yesterday that Selangor did not have an issue with vaccine supply but faced problems related to vaccination capacity.

"It really seems that the minister does not know the problem on the ground. Selangor has the capacity to do more. If it continues as he says, after a few days, there will be vaccine dispensing centres (PPVs) that have to be closed temporarily.

"Don't lie by saying there is enough supply...
