JOHOR BAHRU: "Kita selesaikan dahulu mereka yang nak dapatkan vaksin, selepas itu kita 'tackle' (tangani) antivaksin," tegas Menteri Penyelaras Program Imunisasi COVID-19 Kebangsaan (PICK), Khairy Jamaluddin.

Khairy yang juga Menteri Sains, Teknologi dan Inovasi berkata, kerajaan sedang memberi tumpuan bagi mempercepatkan PICK dengan menyasarkan lebih ramai penerima vaksin.

"Ada ramai nak vaksin yang belum lagi dapat diberikan vaksin. Jadi kita selesaikan dahulu yang nak vaksin, kemudian (kita tangani isu) yang enggan terima vaksin," katanya.

Beliau berkata demikian ketika ditemui selepas mengadakan lawatan di Pusat Pemberian Vaksin (PPV) COVID-19 Pusat Konvensyen Antarabangsa Johor Bahru (PERSADA), di sini, hari ini.

Yang turut hadir, Menteri Besar, Datuk Hasni Mohammad.

Ditanya mengenai langkah kerajaan mengkaji mengenakan tindakan undang-undang ke atas golongan antivaksin yang menghasut orang ramai untuk tidak menyokong PICK, Khairy berkata, belum ada tindakan undang-undang terhadap kelompok berkenaan.
