KUALA LUMPUR: Covid-19 vaccine recipients can now document their immunisation process as evidence.

Science, Technology and Innovation Minister Khairy Jamaluddin said the decision which was made last night, will allow people to record and take pictures as proof they have received a full vaccine jab.

"If this was not allowed two days ago, I am now giving permission. I have asked for permission from the Health Minister to allow the public to record their vaccination process.

"Go ahead and film yourself, take a video of your vaccination so that you have hard proof and we also have hard proof of you receiving a proper dose of the vaccine," he said during the weekly Covid-19 Immunisation Task Force (CITF) press conference.

Khairy, who is the National Covid-19 Immunisation Programme (NIP) coordinating minister, said the Standard Operating Procedure (SOP) of showing the syringe that has been filled with the right quantity of vaccine by medical officers will also continue.

Previously, the public was not allowed to record themselves when receiving the vaccine jab, and only allowed to take photographs at an allocated photo booth in the vaccination centre (PPV) after the process.

Covid-19 vaccine recipients can now document their immunisation process as evidence. - NSTP /ROHANIS SHUKRI.
