Among the issues that MPs are expected to raise are the national vaccination rate, procurement of vaccine supplies, vaccination centres (PPVs) and the issue of empty vaccine syringe shots.

Malaysia is one of the fastest countries to vaccinate its people against Covid-19, with vaccine injection capacity having reached more than 500,000 doses a day at present.

Malaysia hits over 18 million vaccination rate yesterday, with Operation Surge Capacity jabs at 238,518
