

PAC wants ceiling price for Sinovac vaccine

NATION

Wednesday, 28 Jul 2021

THE Public Accounts Committee (PAC) has proposed that the government set a ceiling price for the sale of the Sinovac vaccine by Pharmaniaga Bhd to private entities, as well as maximum charges by private healthcare facilities to vaccine recipients.

PAC chairman Wong Kah Woh said the ceiling price was necessary to ensure the cost of vaccination was set at a reasonable rate in order to not burden the people.
