Malaysia is one of the fastest countries to vaccinate its people against Covid-19, with vaccine injection capacity having reached more than 500,000 doses a day at present.

The special meeting of the Third Session of the 14th Parliament is set for five days, from July 26 to 29, and on Aug 2.

All 220 MPs, including those who have yet to be vaccinated, are allowed to attend the special sitting, which is conducted in full adherence to the standard operating procedures to curb Covid-19, including requiring all attendees to pass swab tests and wear face masks. - Bernama
