PETALING JAYA: The goal of vaccinating 80% of the population is well ahead of schedule following a record 1.07 million doses administered over two days this week, says Science, Technology and Innovation Minister Khairy Jamaluddin.

“The daily vaccination rate reached its highest on Tuesday when a total of 553,871 doses were successfully administered nationwide where 356,112 individuals received their first dose and 197,759 their second dose.
