Guidelines for fully vaccinated people in August

Published 3 Jul 2021, 5:50 pm • Modified 3 Jul 2021, 8:08 pm

The government will be coming out with guidelines for fully vaccinated people next month, said *de facto* Covid-19 vaccination minister Khairy Jamaluddin.

He had previously said that the government may consider [easing restrictions](#) for those fully vaccinated.

"However, with the spread of the Delta variant...
