"Since the outbreak of Covid-19, China and Malaysia have helped each other with assistance to fight the pandemic. We will defeat the pandemic together," he said.

Earlier, Ouyang joined Senior Foreign Minister (Security Cluster) Datuk Seri Hishammuddin Tun Hussein and National Covid-19 Immunisation Programme (PICK) Coordinating Minister Khairy Jamaluddin to visit Chinese nationals getting their vaccination at the Golden Horses Health Sanctuary ambulatory vaccination centre here today.

Some 500 Chinese expatriates working in the Klang Valley today received their jabs under the programme.

Khairy told reporters that the remaining Chinese nationals will be vaccinated at vaccination centres all over the country by next week.

"I am told the number by Chinese nationals in Malaysia is more or less 30,000," he said.

Khairy, who is Science, Technology and Innovation Minister, thanked the Chinese government not just for its contribution but also continuous support in Malaysia's procurement of Chinese vaccine.

"Although Malaysia buys from Chinese pharmaceutical companies like Sinovac and CanSino, the approval has been facilitated by the Chinese government.

"That is one reason Malaysia can speed up its vaccination programme due to the support we received from the Chinese government," he said.

Khairy said Malaysia had procured 12 million doses of Sinovac and 1 million or even more.

"So far 12 million has already been delivered. For the single dose CanSino vaccine from China, the first shipment is in the first week of August," he said.
