S'gor occupies last place in race to fully vaccinate its population

Published 4 Jul 2021, 4:30 pm • Modified 4 Jul 2021, 4:49 pm

Selangor was revealed to be the state with the lowest percentage of the total population who have received two doses of the Covid-19 vaccine, as of midnight of July 3.

Data released by the Covid-19 Immunisation Task Force (CITF) today showed that Selangor had only fully inoculated 5.2 percent of its total population against Covid-19, trailing behind the second-lowest state Sabah with 5.8 percent and the third-lowest Johor with 7.1 percent.

Selangor has been put under the spotlight recently, due to its slow...
