Difficult to open vaccination centres in EMCO areas - Khairy

Bernama

Published 6 Jul 2021, 4:19 pm

It will be difficult to open vaccination centres (PPVs) at localities under the enhanced movement control order (MCO) because the list of areas under such restrictions changes constantly, said Khairy Jamaluddin.

The National Covid-19 Immunisation Programme (NIP) Coordinating Minister said the "dynamic" nature of enhanced MCO lists made it difficult to send vaccines to new inoculation centres every week...
