Vaccination - hotlines soon for bedridden, 'left behind' elderly and PWDs

Annabelle Lee

Published 6 Jul 2021, 2:47 pm • Modified 6 Jul 2021, 3:35 pm

A house call hotline will be set up for those who are bedridden and unable to travel out to be vaccinated for Covid-19.

A separate hotline and e-mail address will also be created for seniors and persons with disabilities (PWDs) who have yet to be inoculated against Covid-19.
