KUALA LUMPUR (July 6): Yang di-Pertuan Agong Al-Sultan Abdullah Ri'ayatuddin Al-Mustafa Billah Shah expressed his appreciation to the US for donating one million doses of the Pfizer vaccine to help boost the vaccination process under the National Covid-19 Immunisation Programme (PICK).

Comptroller of the Royal Household of Istana Negara Datuk Ahmad Fadil Shamsuddin through Istana Negara's official Facebook account today said that His Majesty Al-Sultan Abdullah also thanked US Ambassador to Malaysia Brian McFeeters for the contribution.

“This contribution clearly demonstrates the friendship and good relations that have been established for a long time between the governments and the people of both countries.

At the same time, Al-Sultan Abdullah also called on the people to pray that the country will always be under the protection of Allah, free from calamities and for the Covid-19 pandemic to be brought under control quickly.

A total of one million doses of the Pfizer vaccine arrived at the Sultan Abdul Aziz Shah Airport, Subang at 8.10am yesterday via Raya Airways, a day after the 245th anniversary of the US independence.

The vaccine allocation to Malaysia is part of US President Joe Biden administration's global strategy to share 80 million doses worldwide this summer.
