E-Nation Series 3 Tech For Good: Future of healthcare

Published 18 Aug 2021, 8:00 am • Modified 17 Aug 2021, 4:13 pm

While technology has had several less-than-desired impacts on society as a whole, it is an imperative enabler in creating a positive impact on society. The speakers across the region will share how they use technology to improve the well being of their beneficiaries and do good for the society. Discover how to effectively harness technology for the better at E-Nation 2021's third thought leadership talk, titled Tech for Good.

Interested attendees can register for Series-3: Tech for Good via the official website [here](#).
