GOVT TO BOOST NATIONAL VACCINE DEVELOPMENT ECOSYSTEM, ADHAM SAYS

Updated 18 hours ago · Published on 21 Sep 2021 11:17PM · 0 Comments

The nation's vaccine development roadmap will be announced in November, Science, Technology and Innovation Minister Dr Adham Baba says. – The Malaysian Insight file pic, September 21, 2021.

THE Science, Technology and Innovation Ministry (MOSTI) will be enhancing the vaccine development ecosystem in the country to develop local vaccines,” said its minister, Dr Adham Baba.

He said the National Vaccine Development Roadmap (NVDR) is expected to be announced in November in an effort to ensure the country is ready to face any pandemic in the future.
