Among the groups given priority are cashiers; sales persons; petrol station workers; restaurant, hypermarket/supermarket and department store crews; barbers; salon operators/employees; shopping complex management staff and distribution chain workers.

The RiVAC programme in the Klang Valley that started on July 26, ended today.

This programme, a joint initiative between the public and private sectors, involved KPDNHEP; Covid-19 Immunisation Task Force; Ministry of Science, Technology and Innovation; retail industry players and the Malaysia Shopping Malls Association (PPK Malaysia).
