The Malaysian Green Technology and Climate Change Corporation (MGTC) says Malaysia has exceeded its expectations of trade and business leads garnered at Expo 2020 Dubai, giving a much-needed boost to industries to reset their businesses. – Expo Dubai 2020 website pic, April 20, 2022.

MALAYSIA has exceeded its expectations of trade and business leads garnered at Expo 2020 Dubai, giving a much-needed boost to industries to reset their businesses, said the Malaysian Green Technology and Climate Change Corporation (MGTC).

MGTC chief executive Shamsul Bahar Mohd Nor said the recently concluded world expo had provided countries with a robust platform to reboot their economies after disruptions caused by the global pandemic.
