### STATISTICS DEPT TO CONDUCT ECONOMIC CENSUS THIS YEAR

KUALA LUMPUR: The Statistics Department of Malaysia (DOSM) will implement the Economic Census 2023 to be used as a benchmark for the economy and as planning continuity for the country's development. Chief Statistician Malaysia Datuk Seri Mohd Uzir Mahidin said a vital feature of the census would be to assess the 12th Malaysia Plan and the Malaysia Transformation Programme. The census will also be used in the production of new economic data such as from the Industrial Revolution 4.0, the Internet of Things or the Internet of Everything, he told the media at the signing of a memorandum of understanding between the department and Bursa Malaysia here yesterday. The economic census will also be used to generate main statistics at the national, state, and district levels. – Bernama
