

Malaysia Junior Science Odyssey

VIDEO COMPETITION

4

best videos
will represent
Malaysia at the
7th APT JSO in
Kuala Lumpur.

LAUNCH YOUR FUTURE!

How do you think Science, Technology and Innovation would make Malaysia a better place? Are you bold enough to showcase your desired future? Submit your video of how you think STI can design a bright future for Malaysia in 2050, and the winning teams would get to spend a fun and fabulous time with notable Malaysian scientists!

READY TO LAUNCH!

Step 1: PLAN

Form your team that consists of 3 members from the same school, aged between 13-15. Select a mentor teacher to guide you.

Step 2: STRATEGISE

Choose a topic based on the United Nations' Sustainable Development Goals (SDGs) to transform our nation.

Visit <http://www.un.org/sustainabledevelopment/sustainable-development-goals/> for more information on UN SDGs

Step 3: DESIGN

Record a 3 minute video that portrays How Science, Technology, and Innovation can help Malaysia achieve that goal. (visit <http://www.akademisains.gov.my/7APTJSOMalaysia> for more video specifications)

Step 4: TEST

Download the consent form from <http://www.akademisains.gov.my/7APTJSOMalaysia>

Step 5: LAUNCH!

Submit the consent form and your video by 29 March 2018 at <http://www.akademisains.gov.my/7APTJSOMalaysia>

Visit <http://www.akademisains.gov.my/7APTJSOMalaysia> to check out the rules and regulations, regular updates, downloads, and instructions on video submission.
