Malaysia - Research Team

To enhance research capacity in the country and nurture early career researchers(ECRs), MOSTI encourages projects to involve early career researchers (who has completed his/her doctoral degree in the last 10 years) and predoctoral researchers in international collaborative research activities. Please put a tick mark “√” in the column of ECR if applicable.

Researchers in Research Team

Name	Organization, Division	Title	Degree	Specialty	ECR
(Leader)					
(Researchers)					

Descriptions of the Cooperative research project

(Please refer to the evaluation criteria in the guideline. References should be listed at the end of this section with max 1page.)

1. Research Background and Goal (including ongoing research activities and special strengths of each research groups) max 1 page

2. Approach (describe clearly the technical approach how the project will address the issues to be solved) max 2 pages

3. Expected Outcome (scientifically as well as in terms of relevance for industry and society (esp. how to contribute to requirements from society and how to reach such requirements)) max 1 page

4. Synergy of the Joint Research Activity (including how the groups complement each other, expected added value from the proposed joint project) max 1 page

5. Research Plan (Itemize the specific research activities done by each team each year. The targets to be achieved and the role of each team, as well as how to address potential pitfalls with alternatives/contingency plans, should be included. Description for each team may not exceed 2 pages, respectively.)

(1st country name) side (max 2 pages)

(Start date of the cooperative project _____)

1st Year

2nd Year

(2nd country name) side (max 2 pages)

(Start date of the cooperative project _____)

1st Year

2nd Year

Research Networking Plan

Please describe clear plan for joint workshops, researcher exchanges, purposes of exchanges and expected outcome through these activities. It is strongly advised to hold a kick-off meeting participated to strengthen mutual understanding upon a beginning of the project. max 2 pages

Plan to Nurture Early Career Researchers

MOSTI encourages project teams to involve early career researchers and pre-doctoral researchers in international collaborative research activities. Please describe clear plan such as activities and research team formation which intends to nurture junior researchers in the project. The definition of early career researchers is researchers who completed his/her Ph.D. within the last 10 years. Max 1 page.

Budget plan for the project in Malaysia

Source of fund	Please tick if seeking funding from MOSTI under e-dana <input type="checkbox"/> Please state the category of fund: _____
	Please tick if seeking funding from other sources <input type="checkbox"/> Please state the source of fund: _____ If the source confirmed: YES <input type="checkbox"/> NO <input type="checkbox"/>
