#### NICE 2025 SET TO SHOWCASE MALAYSIA'S BRIGHTEST IDEAS ON THE GLOBAL STAGE

Over 12,000 participants and 150 exhibitors will converge to advance Malaysia's innovation and commercialisation agenda

**PUTRAJAYA, 19 SEPTEMBER 2025** — The Ministry of Science, Technology and Innovation (MOSTI), through its implementing agency, the Malaysian Research Accelerator for Technology and Innovation (MRANTI), proudly announces the **National Innovation and Commercialisation Expo (NICE) 2025**, taking place from **6–9 October 2025 at the World Trade Centre (WTC) Kuala Lumpur**.

Under the theme *"Innovation. Growth. Global Impact."*, NICE 2025 is Malaysia's definitive platform for showcasing, scaling, and translating homegrown innovations into global success stories. This landmark event will be officiated by YAB Dato' Sri Haji Fadillah bin Haji Yusof, Deputy Prime Minister of Malaysia.

NICE 2025 is designed to foster dynamic engagement and collaboration among researchers, entrepreneurs, corporate leaders, venture capitalists, technology transfer officers, policymakers, academicians, and youth. The comprehensive programme includes innovation showcases, conferences, policy dialogues, business matching, and recognition of outstanding Malaysian innovators, all geared towards expanding Malaysian talent, technologies, and solutions beyond national borders.

Building on the success of the Malaysia Commercialisation Year (MCY) Summit, which since 2016 has facilitated the commercialisation of **622 innovations, generating over RM849 million in revenue**, NICE 2025 consolidates four flagship MOSTI programmes: MCY, I-Nation Global Summit, MTDC's Technology Conference & Exhibition (MTCE), and BEC's NBioShowcase. This strategic unification strengthens Malaysia's innovation ecosystem and reinforces the nation's commitment to becoming a regional hub for science, technology, innovation, and economy (STIE).

Following MCY Summit 2024's impressive turnout of over 8,000 participants and RM61.46 million in business value, NICE 2025 anticipates drawing over 12,000 participants and 150 exhibitors.

MOSTI invites all stakeholders, industry leaders, and aspiring innovators to register and join NICE 2025 in shaping Malaysia's innovative future.

Registration is now open at **[nice.mosti.gov.my](https://nice.mosti.gov.my)**
