INNOVATORS ARE CRAZY

A healthcare worker, likely a nurse, is shown in a hospital ward. She is wearing a blue uniform and a white hijab. She is holding a clear plastic IV drip bag with both hands, suspended from a metal stand. The background shows hospital beds with pink curtains, a sink, and other medical equipment. The text "BE A QUILT MAKER" is overlaid in white capital letters across the center of the image.

that can replace and function like the drip stand itself

A man in a traditional Sabahan outfit, featuring a black jacket with gold braided trim and a circular emblem on the chest, is playing a saxophone. The saxophone's bell is decorated with the word "SABAH" and a small emblem. He is standing in a stable with a dirt floor and white stalls in the background. A white dog is visible in the distance. The word "PERSISTENCE" is overlaid in white text across the center of the image.
